FD 1242 (Oct 2018)

## Notice Regarding Prior Criminal Activity Including Drug Usage

To be considered for employment as a firefighter, applicant must be **(3) years clear** of any detected or undetected criminal activity, including soft drug usage on an experimental basis within the three (3) years prior to the date of application. Applications not meeting this criteria will not be considered:

- Soft drugs are defined as marijuana, hashish, hash oil (prior to the date of legalization, October 17, 2018), and mushrooms. *Note: Medically-prescribed marijuana is not included.* (As of October 17, 2018, legalized marijuana includes oils, fresh and dried cannabis, cannabis plant and seeds. All other Marijuana products currently remain illegal. Regulations are also in place to protect youth, control amounts of personal possession, location of consumption, and crossing of borders.)
- Minimal soft drug usage equates to no more than one (1) usage within the last 12 months, **and** no more than a total of three (3) usages in the three (3) years prior to the date of application.
- Applications revealing any other illicit drug usage (defined as hard drugs) within the three (3) years prior to your date of application **will not** be accepted. Refer to page 10 for a list of hard drugs that fall under this parameter (*this list is not all inclusive*).

Any involvement in unlawful activity beyond the three years prior to your date of application will be assessed on an individual basis.

**You are expected to remain free from criminal activity while in the Firefighter Pre-Screening process.**

## Personal History Statement and Truth Verification Process

**Honesty, Integrity and Ethics** are scrutinized closely in considering firefighter applications. The PHS and truth verification process are used to assist in determining an applicant's suitability for employment as a firefighter with the CFD.

The PHS pertains to your **ethics** and your **integrity**. You, as the applicant, must first complete the PHS by answering all questions accurately, completely, thoroughly, and honestly. Minimizing, blaming, and failing to accept responsibility will be closely monitored. Should you be allowed to continue in the process, your answers will be verified by a variety of methods, including a comprehensive file review and truth verification examination.

Should you be successful at Steps One through Five of the Firefighter Pre-Screening Process, you will be requested to participate in a truth verification Pre-Employment Polygraph (PEP) examination. The purpose of the PEP is to verify your truthfulness, and that you are the person you claim to be in your employment application forms, questionnaires, documents, and interviews.

Be advised that deceit, dishonesty, or non-disclosure concerning questions in any part of the application process will likely result in disqualifying you from this and any future employment competitions with the CFD.

*Disclaimer: Any hardcopies and electronic copies outside of the published repository are considered uncontrolled.*

# Personal History Statement

FD 1242 (Oct 2018)

Your decision to complete the PHS and to participate in the PEP must be voluntary, based on your desire to pursue a career as a firefighter. You may withdraw or stop the application process at any time. You may refuse to provide answers to any or all of the questions contained in this statement. Such a refusal may result in your disqualification from the Firefighter Pre-Screening Process.

If you recall additional relevant information after you have submitted your application, you can amend your responses to questions by uploading a PHS Update Form.

## Notice Regarding Prior Serious Criminal Offences and Serious Risk to the Safety of Others

The information an applicant provides during the Firefighter Pre-Screening Process is collected by the CFD for the purpose of an employment application. However, if an applicant admits to having committed a serious and undetected criminal offence, or is deemed to pose a serious risk to the safety of others, the CFD may disclose specific information to entities with lawful authority to collect such information (e.g.: police of the jurisdiction, child protection agency, etc.)

While cases requiring applicant disclosures to be reported to other agencies are rare and exceptional, the CFD **strongly discourages** an applicant from completing the PHS, or attending the Pre-Employment Polygraph (PEP) examination, if you believe this notice applies to you.

**If you are uncertain if this notice applies to you, please contact the CFD Recruitment Office for clarification.**

Such disclosures could lead to an investigation, arrest, charge(s), criminal prosecution, conviction, and ultimately, imposition of a sentence.

Such disclosures may also lead to incident reports being entered into police databases, which could impact future employment or volunteering opportunities, or other activities that require security screening.
