

(UPDATED May 1, 2024) PROHIBITED ROADS – MOBILE COMMUNITY SIGNS AND OTHER TEMPORARY SIGNS

The Mobility Business Unit places public safety as the highest priority in all its actions to sustain and enhance all forms of mobility for its customers. The Traffic Engineer has the authority to establish some of Calgary’s roads as “Prohibited” from the use of temporary signs when it is deemed that signs may impact safety, sustainability or the mobility of Calgarians, no matter what form of mobility they choose.

Here is the current list of Prohibited Roads which the Traffic Engineer has banned the use of temporary signs. Please also refer to the map for additional guidance. Though this list is comprehensive, you can contact the Traffic Engineer at communitysigns@calgary.ca for the most up to date list. A map version is available using this [link](#).

****IMPORTANT:** On May 1st, a pilot will begin that will allow temporary signs to be placed at a limited number of locations that were added to the *Prohibited Roadway List* in 2024. This pilot will run from May 1st to October 31st. The list below will reflect the roadways temporarily removed and a new list to show the roadways added back into the program. New decals are required for signage on these piloted roadways, please contact communitysigns@calgary.ca to obtain the required decals.
